## Message from the High School Principal

Uniworld High School management acknowledges the valuable contributions and support of all staff in preparing students for the world of the 21st century in an educational environment that is warm, nurturing, stimulating and enjoyable. All teaching staff provides quality teaching programs, resource materials, teaching and wider experiences that are relevant and specific to student needs.

A particular strength of the High School staff is its ability to unlock the potential of students, facilitating independent learning, and developing students' intellectual, vocational and moral capabilities to enable them to grow as individuals and successfully complete their senior school studies and access tertiary studies in Australia.

Ms. Linda Turner
